Le charme du bois revient

/ Autrefois la tradition dans l'ameublement était l'utilisation du bois. La chaleur des veines a toujours donné au bois une valeur incomparable. Nous proposons dans cette nouvelle collection de chaises et tabourets piètement bois un design contemporain car nous pensons que c'est une nouvelle tendance. Le frêne est le bois qui donne à ces modèles structure et beauté /

Lo charme del legno ritorna

/ La tradizione nell'arredamento ha avuto sempre come base il legno. Il calore delle venature hanno sempre dato alle sedie in legno un valore senza paragoni. Vi proponiamo con questa nuova collezione delle forme moderne e speriamo di aver colto una tendenza. Il frassino è l'essenza che dà a questi modelli struttura e bellezza /

The charm of wood returns

/ Tradition in furniture has always been based on wood. The warmth of the grain has always given wooden chairs an unparalleled value. We offer you with this new collection of modern forms and hope to have caught a trend. Ash is the essence that gives these models structure and beauty /

Bridges / Poltroncine / Armchairs

/ Ces sont la nouveauté, la plus importante de notre collection bois 2025. La coque à l'extérieur est contreplaquée en frêne tandis que l'intérieur est tapissé. L'originalité de ces bridges est emphasized par le passepoil en tissu dans le dos extérieure qui les rendent uniques. Disponibles avec la plus part de nos bases en métal (Rond, Carré, Pivotant et «Double») et bois de frêne («Cross» et «Cross pivotant»). Disponible en 4 teintes /

/ Sono la più importante novità della nostra collezione legno 2025. La scocca all'esterno è impiallacciata in frassino. La parte interna è imbottita. L'originalità di queste poltroncine è enfatizzata dal bordino in stoffa nello schienale esterno che le rendono uniche. Disponibili con la maggior parte delle nostre basi in metallo (tondo, quadro, girevole e "Double") e legno ("Cross" fissa o girevole). Disponibili in 4 tinte /

/ They are the most important new addition to our 2025 wood collection. The shell on the back is veneered with ash. The inside is upholstered. The originality of these armchairs is emphasized by the fabric edging in the outer back that makes them unique. Available with most of our metal bases (round, square, swivel and "Double") and wood ("Cross" fixed or swivel). Available in 4 stains /
